Carriage House Customs and NASA Midwest join forces for a Winter Open House

Carriage House Customs and NASA Midwest are hosting an Open House, Saturday March 27, 2010 at Carriage House Customs Wanamingo, MN. facility. The event will start off with lunch provided by the gang at Carriage House, followed by seminars on car preparation, speed secrets and how to get on track with NASA.

Please RSVP via:

<http://carriagehousecustomsnasamidwest.eventbrite.com>

Limited to the first 100 people that respond by March 17, 2010.

"The entire staff of Carriage House is pleased to host the Open House and introduce NASA enthusiasts to what we have to offer", said David Engel, owner of Carriage House Customs.

"Carriage House Customs has become an integral part of NASA Midwest and our event at Brainerd May 22-23, 2010. We are excited to build on our relationship and look forward to a strong 2010", said Bryan Cohn, Director of Competition, NASA Midwest, Inc.

Dave Royce, Region Director of NASA Midwest Inc said, "We are excited to return to the historic Brainerd International Raceway. The growth opportunities presented to Carriage House and NASA are second to none. This Open House helps NASA drivers meet the Carriage House staff and is centrally located to allow new drivers to learn about Carriage House, NASA and our May event at Brainerd."
