Chicago, February 16, 2011, NASA Midwest, Inc.

NASA Midwest is pleased to welcome Accumoto Motorsport as our newest Tech Shop, located in Waunakee, WI, a suburb of Madison. Accumoto Motorsport will provide HPDE and Time Trial inspections, Competition annual inspections/log books issuance along with fabrication, race/street modification, race preparation, engine building, data acquisition/engineering, driver coaching and event transport with support.

Accumoto Motorsport has been in business since 2004. The owner, Mark White, started racing at Skip Barber in 2003, going on to compete extensively at the club and professional level. He is currently driving for Greenhell Racing in the VLN Endurance Series, which holds its events at the famed Nürburgring. Lead mechanic Doug Turnbull has 40 years of experience working on Porsche, BMW Audi, VW and Mercedes. Doug also has an extensive racing background both as a driver and a mechanic. He has experience at all levels of motorsport, up to, and including LeMans.

Accumoto Motorsport owner Mark White said, "We are excited to have the opportunity to serve NASA drivers in Madison and the Midwest and we are looking forward to helping NASA grow throughout the Midwest Region."

"I am very pleased that we have brought Accumoto Motorsport on as a Tech Shop. Mark, Doug and the team bring vast experience and a professional perspective to NASA and motorsports." said Bryan Cohn, Director of Competition, NASA Midwest, Inc.

Dave Royce, Region Director of NASA Midwest, Inc said, "I'm pleased to have Acumoto Motorsport onboard to provide services to NASA Midwest drivers".
